APP for updated details

After a full day of OMCG class, it is our pleasure to invite you to be our guests at the first day's hospitality event at the Champagne Bar in the Sofitel Hotel. This will be an opportunity to meet new friends and re-connect with old ones.

Networking is vital to building your team, and we would love to see everyone there for an evening of camaraderie and good times.

The venue does require numbers for catering, so please RSVP to the Site Committee by email at iomgia-aus2025@police.nsw.gov.au

Looking forward to seeing everyone there!

WOULD YOU LIKE TO KNOW MORE?

One very popular IOMGIA conference event is the annual raffle. Some of the swag up for grabs in Phoenix in May is pictured here. Raffle items include coins, patches, clothing, law enforcement trinkets and curoios from around the world.

The Sydney Site Committee is asking participants to bring items to donate to the raffle. Whether from your country, state, region or Command, everything helps to push IOMGIA training out into the world.

The Sydney Raffle will be a cash one, so be sure to have some handy. The prizes are always worth it and tickets are cheap at twice the price!

HOSPITALITY EVENTS!
